Topics Discussed:

In this meeting we continued our discussion about the diagrams. This week we have to work on Activity Diagrams. We had to talk how we are going to divide the work and how all the diagrams will be work, taking in consideration also the discussion that some students had with the professor in the online lecture.

Decision Made:

After the discussion we decided to continue our work on Activity Diagrams. We are going to be based on Use Cases for these diagrams and as well we are going to take a look and consulting with last year project. Each member of the group will work for some diagrams mostly based on our previous work.

Tasks Assigned

- Each member will work on activity diagrams.
- Each member should refresh the previous work.
- All the group should start working on state diagrams.

We have to start working on other diagrams, firstly related mostly to activity diagrams.
