In this meeting we continued our discussion about the diagrams. This week we have to work on State Diagrams, Sequence, Collaboration and ER diagrams. We had to talk how we are going to divide the work, because it was a lot to work and how all the diagrams will be work, keeping in mind what we have talked with professor last Lab session.

After the discussion we decided to continue our work on the diagrams and keep going with the work. We are going to be based on Activity Diagrams for these diagrams and as well we are going to take a look and consulting with last year projects. Each member of the group will work for some diagrams mostly based on our previous work.
